Foreword

*I*t is a great pleasure for Indonesia to participate in the Inhorgenta Europe which will be held on February 23 - 26, 2007 in Munich, Germany. European Union is one of the potential markets which imported jewellery in 2005 was 29% from the World import or US \$ 51,6 billion. While, its import value from Indonesia only 9,68% or US \$ 9,44 million at the same year.

Indonesian participation in the Inhorgenta Europe 2007 is organized by the National Agency For Export Development (NAFED), Ministry of Trade, The Republic of Indonesia in coordination with Swiss Import Promotion Programme (SIPPO) and Embassy of Indonesia in Berlin.

At the first Indonesian participation in the fair, 19 (nineteen) selected Indonesian producers / exporters of jewellery are interested in introducing their best products, such as pearl jewellery, stone jewellery, silver jewellery, gold & silver jewellery, loose jewellery, etc.

We wish to extend our warm welcome to all visitors and buyers and hope that this exhibition will give a mutually beneficial bussiness opportunity for both Indonesian companies as well as buyers from Germany and other countries.
