SIPPO Swiss Import Promotion Programme ist Teil der wirtschaftlichen Entwicklungszusammenarbeit des Staatssekretariates für Wirtschaft (SECO).

SIPPO

SIPPO Swiss Import Promotion Programme is the official import promotion programme under the patronage of SECO, the State Secretariat for Economy of the Swiss government. It supports private businesses in emerging markets and markets in transition that are endeavouring to access the Swiss market as well as markets in the European Union.

SIPPO's services include business branch-related market information, advisory services for products and marketing, promotion in Switzerland as well as assistance at selected European trade fairs. At the same time, Swiss and EU companies are informed about the requests for contact received from foreign companies and are given support in their search for new sourcing markets, products and co-operation partners.

SIPPO's programme is a part of Switzerland's development and foreign trade policies. It is conducted complementary to other programmes involved in technical cooperation relevant to trade. Apart from a contribution to the costs by participants in the programme, the programmes are largely financed by the State Secretariat for the Economy, SECO.

At SIPPO stand at Midest Fair 2006 – (Hall 6 Stand T 099) selected market leaders from transition countries are offering you excellent solutions (Automotive parts, Metal processing, Castings and Forgings, Electronics, Machine Parts,) with an outstanding price/performance ratio.

In the framework of a Win –Win situation for all Swiss and EU companies an efficient solution for identification of new sourcing opportunities is being offered allowing in short and mid terms the increase of the competitiveness of their own products.

SIPPO – Swiss Import Promotion Programme

BULGARIA

Company	MADARA JSC
Address	1, Madara Blvd. 9700 Shumen
Phone	+359 54 857 222
Fax	+359 54 857 370
E-Mail	office@madaragroup.com
Web	www.madaragroup.com
Contact	Mr. Milen Cholakov, Mr. Atanas Atanasov
Production Area	Cylindrical straight and angular gears, Straight and angular bevel gears, Bevel screw gears cut by systems Glisson, Gear rings , Block of gears, Worms and worm gears , Shafts, Manufacturing of screws, bolts and nuts. Tandem axles, Support axles, Rear single reduction axles, Rear double reduction axles, Front driving axles
Exports:	Russia, Turkey, Serbia, Germany

Since the beginning of its establishment the company has gained long-lasting experience in the production of trucks, rear and front driving axles for trucks, buses, trolley buses, spare parts for agricultural and road construction machines, gears and shafts, castings, forgings, springs, stamps, tools and tooling equipment. ISO 9001:2000 certified.

BULGARIA

Company	METAL TECHNOLOGY GROUP Holding AD
Address	Blvd. Bulgaria, 18, Bokar, 1404 Sofia
Phone	+359 2 818 59 59
Fax	+359 2 818 59 49
E-Mail	mgeorgieva@mtgbg.com
Web	www.mtgbg.com
Contact Person	Mrs. Maria Georgieva, Ms. Silvia Mincheva
Production Area	Production of castings of ferrous and non-ferrous alloys (aluminum alloys, Grey and ductile cast iron, steel), Centrifugal cast parts. Production of various presses, turbines and equipment for hydroelectric stations
Exports:	Germany, Austria, Italy, France, Greece, Belgium

Metal Technology Group - The Power of Industry - consists of 5 companies offering a wide palette of castings of ferrous and non-ferrous alloys, centrifugal cast parts etc. ISO 9001:2000 certified.

BULGARIA

Company	OPTOMECHANIC LTD.
Address	Industrial Area Opticoelectron 4500 Panagyurishte
Phone	+359 357 41 83
Fax	+359 357 4115
E-Mail	oeg@opticoel.com
Web	www.oe-group.org
Contact Person	Mr. Nikodim Kazandzhiev,
Production Area	Manufacturing of rotary and prismatic body details for devices and precise mechanics; Gear wheels and toothed racks; CNC precise mechanics; Aluminium castings; Galvanic and lacquer-dyer coating
Exports	Germany, France, Switzerlan, England etc

Opticiomehanic Ltd is operating as a member company of the Opticoelectron Holding with a wide production palette of several optical parts as well as design of tools, casting of Al with a capacity of up to 3 t per shift, and machining and device assembling. The company is ISO 9000 certified. ISO 9001:2000 certified.

INDIA

Company	ACCURATE SPRINGS
Address	4, Amin Industrial Estate, Sonawala Crossroad 2, Coregaon, Mumbai - 400063
Phone	+91-22 268 59 305
Fax	+91-22 268 59 299
E-Mail	accuratspring@hotmail.com
Web	www accuratesprings.com
Contact	Mr. Utpal R. Shah
Production Area	Compression springs, Torsion springs, Extension springs, Gartersprings, wire forms, other springs
Exports	Middle East, France

Accurate Springs is a market leader in the field of spring manufacturing. Due to technical skills and experience, the company can produce more than 5000 different kinds of springs. The optimized production is allowing the company to take up any kind of spring manufacturing be it 0.3mm or 12mm wire diameter or be it Spring Steel, Stainless Steel, Phosphor bronze or Copper, etc. An ISO 9001: 2000 certified company.

INDIA

Company	AXIS ELECTRICAL COMPONENTS LTD.
Address	104 C, Govt. Industrial Estate , Charkop, Kandivali (West) Mumbai- 400067
Phone	+91 22 286 966 36
Fax	+91 22 286 784 91
E mail	marketing@axis-india.com
Web	www.axis-india.com
Contact	Mr. Nimish Taterh, Mr. Kanderp Khandwala
Production Area	Sheeted metal components, castings, forgings, plastic mouldings; Compression cable lugs
Exports	Australia, New Zealand, Singapore

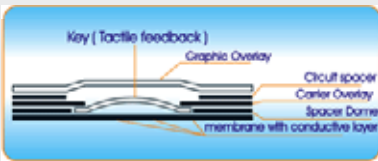

Axis is a leading manufacturer of a vast range of electrical components for transmitting, joining, continuing, supporting and other safety electrical products used in electrical systems. Through rigorous quality testing, control and manufacturing strictly by the specifications and design laid by accepted Int. Standards, AXIS products have gained popularity among quality conscious customers. ISO company, UL certified product.

INDIA

Company	LINE PRO INDIA Ltd.
Address	206, Jagdish industrial estate, Vartak Nagar, Thane (W)-400 606, Maharashtra
Phone	+91-22 258 84 173
Fax	+91-22 258 54 117
E-Mail	info@lineproindia.com
Web	www.lineproindia.com
Contact	Mr. Paul Malpan
Production Area	Printed circuit boards, Membrane key boards, verlays, electroluminescent back lights, dome sticker
Exports	Middle East, Canada, France

Line Pro India is a leading Indian producer in the field of electronics. LINEPRO consolidated its activity by venturing into manufacturing complete range of Membrane Key boards in the year 1998. Their PCB design group consists of a group of dedicated, qualified engineers having excellent experience in designing and drafting of Printed Circuit Boards.

ROMANIA

Company	ELECTROTIMIS SA
Address	Calea Buziasului 11, 300714 Timisoara
Phone	+40 256 222 092
Fax	+40 256 490 800
E-Mail	electrotimis@electrotimis.ro
Web	www.electrotimis.ro
Contact Person	Ioan Soruica
Production Area	Metal processing
Exports	Germany, Italy

Electrotimis has leading position in Romania in the field of the metal processing.
ISO 9001 certified.

ROMANIA

Company	ELECTRA SA
Address	Bd. Chimiei, nr. 8, IASI, 700291
Phone	+40 232 214 370
Fax	+40 232 232 830

Mr. Darko Đoric

Design and manufacture of pressure vessels,
Design and manufacture of pipelines and
other components for the water supply
industry, Design and manufacture of
mechanical systems and factory plants,
Design and manufacture of steel structures
and steel structure elements, Design and
manufacture of various metal products,
Metal processing

Exports:

Germany

Design and Engineering

- Complete design, construction design
- Complete projects - technical documentation
- Tender documentation in accordance with local or EU regulations
- Supervising performance of works against production schedule
- Checking performance of works against schedule
- Changing requirements

Nitric Treatment

- Treatment of drinking and process water
- Treatment of industrial waste water

Mechanical Engineering

- Design and manufacture of pressure vessels
- Design and manufacture of pipelines and other components for the water supply industry
- Design and manufacture of mechanical systems and factory plants
- Design and manufacture of steel structures and steel structure elements
- Design and manufacture of various metal products
- Metal processing
